

CETA Annual Meeting 2006 Agenda
Harrah's in Las Vegas April 22-26, 2006

<u>Date</u>	<u>Program</u>	<u>Time</u>
Saturday 4-22	Registration: 12:00 noon to 6:00 pm (Conference Registration Center)	
	A.) Board of Directors Meeting	9:00 a.m.-12:00p.m.
	B.) CETA Series Presentation: Surface and Space Decontamination: Science/ Theory and Disinfectants for Clean Spaces Moderator: David Phillips, ENV Services	1:00-5:00 p.m.
	Panel: David Phillips, ENV Services (Decon materials/accessibility), Jim Hunter, Labconco (Basics of Decontamination and and microbiological aspects) Henry Luftman, Microclean (Chemical aspects), Peter Harris, B&V Testing (Market data)	
	NSF Steering Committee Meeting (separate meeting area with CETA providing an organizational update)	5:00-6:00 p.m.
C.) Opening Reception	6:30 p.m.	
Sunday 4-23	Registration: 7:15 am to 1:30 pm (Conference Registration Center)	
	A.) President's Address Speaker: Jim Wagner, Controlled Environment Consulting (CETA Projects in Process, Joint Efforts with other Industry Groups, CETA Conference Survey Forms, etc.) Keynote Speaker: GMP Cleanroom Certification; FDA Requirements	8:00 a.m.
	B.) for Cleanroom Certification Speaker: Chris Evans; FDA (invited)	8:15 a.m.
	C.) European Standards Review: Relevant Standards From the International Sector. Speaker: David Brande, CCT/NNE; Chairman of ISO/TC 209	9:15 a.m.
	Break	10:00 a.m.
D.) Focus on Industry Standards:		

Speaker: Al Longton, Filtration Group, Inc.: Update Regarding IEST-RP-CC001.4 10:15 a.m.

Speaker: Dr. Vijayakumar, TSI, Inc.: Update regarding ISO/TC 142: Cleaning Equipment for Air and Other Gases

Speaker: Dr. Vijayakumar, TSI, Inc.: Update Regarding IEST-RP-CC0034.2

- E.) **Pharmaceutical Focus: Changes Within the USP 797 Standard** 10:45 a.m.
Speakers: Eric Kastango, Clinical IQ
KI Discus Test; Non-Bacteria Safety Related Testing for BioSafety
- F.) **Cabinets** 11:30 a.m.
Speaker: Alexander Atmadi, Esco Global
- G.) **Lunch** 12:00 p.m.
- H.) **Golf Outing** 1:30 p.m.
- I.) **Equipment Manufacturer's Forum (Equipment Manufacturer's Review with General Q&A session)** 1:30-3:30 p.m.
(Note: Manufacturers will have displays before daily conference sessions and during breaks as well in same area)

Monday 4-24

Registration: 7:15 am to 1:30 pm (Conference Registration Center)

- A.) **Keynote Speaker: The CETA Organizations Role Relating to the Proposed Changes in USP 797** 8:00 a.m.
Speaker: Jim Wagner, Controlled Environment Consulting
- B.) **Update on Pharmacy Isolator Applications** 8:45 a.m.
Speaker: Carl Labella, CSI Testing
Testing and Qualification of Isolators within the Pharmaceutical Manufacturing Industry
- C.) **Manufacturing Industry** 9:15 a.m.
Speaker: Greg Troyer, Eli Lilly
- D.) **Break** 10:00 a.m.
- E.) **Update on HEPA Filter Gel Degradation in Cleanrooms** 10:15 a.m.
Speaker: Dean Hale, Eli Lilly
Background on Testing HEPA Filters With Particle Counters and Industry Trends
- F.) **Industry Trends** 10:45 a.m.
Speaker: Dan Milholland, Milholland and Associates.
Subject: Motor and Speed Control Technology; Service and Trouble Shooting New Technologies.
- G.) **Shooting New Technologies.** 11:30 a.m.
Speakers: Jeff Smith, Agape Instruments Service, Inc./Fred Delle of Cepa Corp.
- H.) **Lunch** 12:00 p.m.
- I.) **CETA Series Presentation:**

Relevant Cleanroom Updates: Pharmaceutical, FDA, Microelectronics, etc.

1:00-5:00 p.m.

Speakers:

Jim Wagner, Controlled Environment Consulting; Pharmaceutical Certification to USP 797

David Brande, CCT/NNE; FDA/EU Pharmaceutical Regulated Facilities

Randy Silva, ICOM Mechanical; Micro-electronics

J.) **CETA Banquet (Entertainment/Golf Awards)**

6:30 p.m.

Tuesday 4-25

A.) **Back to Basics' Series:**

Lab Ventilation Industry Standards Focus: ASHRAE 110, SEFA, ANSI Z95

8:00 a.m.

(History, Current Trends and new Perspectives)

Speaker: Peter Harris, B&V Testing

B.) **Keynote Speaker: Room Recovery Testing and Qualification Studies** 8:30 a.m.

Speaker: Tom Spearman, Eli Lilly

C.) **Break** 9:15 a.m.

D.) **Safety Precautions with Thermal Aerosol Generation** 9:45 a.m.

Speaker: Cory Kunkle, Micro-Clean, Inc.

E.) **Understanding Test Equipment Variables within Current Equipment** 10:15 a.m.

Speaker: (Troy Tillman, TSI, Inc. and Dave Crosby, ATI)

F.) **'Back to Basics' Series** 10:45 a.m.

Fundamentals/Benefits of Wet Laid Microfiberglass Filtration Media.

Speaker: Aaron Frost, Lydall

G.) **CETA Committee Update: HEPA Filter Bleed Through; Microclean and the ATI/FTF Test Results** 11:15 a.m.

Speaker: Dave Crosby, ATI *(pending regarding outcome of data)*

H.) **CETA Business Meeting** 12:00 p.m.

(Also CETA Committee Introduction for intent to provide a 'New Application Guide for Installation, Exhausting and Venting and Exhausting of Biological Safety Cabinets')

Adjourn Meeting 12:30 p.m.

Note:

NSF will issue (1) re-qualification unit (RU) per day of conference attended and in addition (3/4) RU per each of the CETA Series Presentations attended.
