## SECTION 1.0 CERTIFICATION CRITERIA

- 1.1 The Registered Certification Professional – Fume Hood Certification program includes categories that will test the certifier's competency in fume hood certification for compliance with industry recognized guidance documents listed on the Fume Hoods page of the CNBT website.
- 1.2 Certification as a *Registered Certification Professional – Fume Hood* requires:
  - 1.2.1. Successful completion of the Multiple Choice and Written Practical Examination
- 1.3 CNBT Certification for *Registered Certification Professional –Fume Hood Certification* shall be valid for a period of five [5] years from the date of successful completion of the combined Multiple Choice and Written Practical exam, to be issued either January 1<sup>st</sup> or July 1<sup>st</sup>, to be determined by the date an examinee successfully completes the examination process.
- 1.4 A CNBT credentialed individual will be responsible to report to the CNBT Executive Committee any criminal or negligent behavior, if that behavior affects laboratory personnel and/or public safety. The CNBT Executive committee reserves the right and authority to implement disciplinary action deemed appropriate, including revocation of credentials.
- 1.5 A CNBT credentialed individual is required to use their credentials in a professional and responsible manner.
  - 1.5.1 CNBT issues a trademarked certificate and a trademarked stamp to Registered Certified Professionals. The certificate and stamp bears the title of the applicable discipline, the expiration date of the credential and the name of the Registered Certified Professional
    - 1.5.1.1 Each certificate and stamp is discipline specific. A CNBT certificate or stamp may not be used by a Registered Certified Professional to validate work in a discipline other than what is signified on the certificate or stamp itself or for a co-worker's work not directly supervised in-situ.
    - 1.5.1.2 Expired certificates and stamps may not be used for any purpose.
    - 1.5.1.3 CNBT certificates and stamps are registered trademarks of CNBT and cannot be used by the Registered Certified Professional's company without the consent of the Registered Certified Professionals whose name it bears.

## SECTION 2.0 APPLICATION PROCEDURE and Eligibility Requirements

### *Application Submittal*

- 2.1. Applications can be completed online at the CNBT website at <http://cetainternational.org/CNBT>. An applicant may request an application be mailed by contacting the CETA Headquarters.
- 2.2. An application may be submitted electronically upon completion and all supporting documentation must be received by the CETA National Board of Testing at 3801 Lake Boone Trail, Suite 190, Raleigh, NC 27607, either electronically or by hard copy, before the application deadline for that examination cycle.
  - 2.2.1 It is the responsibility of the applicant to meet the application deadline. CETA National Board of Testing cannot be responsible for misdirected mail, lost mail, or other possible scenarios beyond the control of the CNBT.
  - 2.2.2 Late applications may not be accepted by the CNBT Administrator due to the lack of available **examinee** space.
  - 2.2.3 A late fee will be levied against all applications submitted after the published application deadline for that exam cycle.
  - 2.2.4 **Incomplete** applications cannot be considered. The applicant will be notified of the reason(s) that their application is considered incomplete. The applicant will remain responsible for complying with all application requirements including completion of the application by the deadline. Any application that is not complete by the application deadline will be declared void and the applicant will be notified by the CNBT Administrator that they have been withdrawn from the application process.
  - 2.2.5 If the re-submission of an application extends the application beyond the application deadline, then the applicant may not be eligible for the ensuing examination and a late fee, as per 2.2.3, may apply. Subsequent examinations will have their own application processes and fee schedules.
- 2.3. **Payment should accompany the application submission**, if not, then payment **must** be completed on or before the application deadline of the examination for which the fee is being submitted.
  - 2.3.1 If any payment is returned, either by a bank or other financial institution, the applicant will be ruled ineligible for the examination and a returned payment fee will be charged, plus any additional penalties incurred by CNBT.

- 2.4 A completed application must include all of the following:
- 2.4.1 Original application form with all sections completed.
  - 2.4.2 The applicant's legal signature on the application attesting to the completeness and correctness of all information and documentation being submitted and signifying their willingness to abide by the governance of the CETA National Board of Testing.

### ***Work Experience***

- 2.5 Time of service does not guarantee an applicant's ability to prove competence but does provide an individual with exposure to specific equipment, regulations, guidelines and best practices.
- 2.5.1 Ideally an examinee should have sufficient work experience to demonstrate expertise and a thorough understanding of controlled environment certification to have a reasonable chance of success.
  - 2.5.2 A Non-Member of CETA will need to provide documentation, in the form of a signed letter on corporate letterhead of active interest in controlled environment certification, describing current job responsibilities and other activities to be considered.
- 2.6 CETA National Board of Testing reserves the right to reject any applicant that cannot be verified.

### ***Application Withdrawal***

- 2.7 Any examination applicant may withdraw from the examination process by notifying CNBT in writing (or by email at [info@cetainternational.org](mailto:info@cetainternational.org)) which must be received by CNBT at 3801 Lake Boone Trail, Suite 190, Raleigh, NC 27607 on or before the application withdrawal deadline.
- 2.7.1 Any applicant who voluntarily withdraws their application for an examination before the deadline, may receive a refund of their application fee minus a processing fee.
  - 2.7.2 Any applicant who voluntarily withdraws an application for an examination before the deadline, may submit their application for any subsequent

examination. Subsequent examinations will have their own application processes, fee schedules, and rules and regulations.

2.7 .3 If the applicant cannot attend the scheduled examination after the withdrawal deadline; the applicant can, by notifying CNBT in writing, apply all application fees to the next examination cycle, a late fee as per 2.2.3 may apply.

2.8 Any applicant not present at the scheduled time of the exam administration will forfeit all fees.

2.9 If for any reason, the CNBT Administrator and/or proctor is unable to start, administer or complete the scheduled test cycle, immediate provisions will be administered for an expedient and successful completion of that test cycle.

## SECTION 3.0 EXAMINATION AND PERFORMANCE CRITERIA

### *General*

- 3.1 The content of the combined Multiple Choice and Written Practical Fume Hood exam shall be derived directly from the current CNBT Fume Hood Blueprint based on the *Job Task Analysis*
- 3.2 The examination(s) shall be administered by a CNBT approved proctor(s)
- 3.3 If English is an examinee's second language, a written request to CNBT can be filed with the Administrator requesting an additional time allotment of 30-minutes for the exam.

### **Combined Multiple Choice and Written Practical Examination**

- 3.4 The Multiple Choice portion of the combined examination shall consist of eighty-five [85] multiple choice questions graded for pass/fail.
- 3.5 The Written Practical portion of the combined examination shall consist of fifteen [15] questions graded using a zero (0) to four (4) point scale. This portion of the exam's final grade will be based on the statistical analysis of three individual **Written Practical Examiners (WPE)**
- 3.6 When deemed necessary the combined exam may have additional questions for piloting, increasing the total exam content by as many as ten (10) additional questions. These questions are not designated to be part of the pass/fail portion of the exam.
- 3.7 A maximum of two and half hours (2.5) shall be permitted for completion of the combined Multiple Choice and Written Practical exam.  
This is a closed book examination.
